# Online Provider Directory

---

Enjoy 24/7 access to the most current provider information.

- Go to [www.medcost.com](http://www.medcost.com)
- Click on “**Find a Provider**”
- Read disclaimer and click “**I Accept**”
- Enter your zip code or a city/state (information will be used when you choose to perform a radius search or create a custom provider directory)
- Choose MedCost Preferred network
- Select from the following search options:
  - **Last Name** – search by physician’s last name
  - **Facility Name** – search by facility name
  - **Provider Radius** – search for physician or facility by selecting the distance from your zip code and the physician specialty or facility type
  - **Create Custom Directory** – create a customized printable PDF directory by selecting the distance from your zip code and all specialties (or narrow your search by a specific specialty)

Find additional information in the “**About This Directory**” section of the website or help identifying the type of physician you need with the “**Specialty Definitions**” section. You can also verify provider participation by calling 800-824-7406.
